## HISTORIC RIVALS IN SHIPPING MAY UNITE TO COMPLETE LINER

Plans Being Made to Resume Construction of World's Largest Ship, Now in Skeleton Form at Clydebank—Proposals to Be Made Known When British Parliament Reassembles

LONDON, Nov. 3 (AP).—The great liner, "534," now a steel skeleton on the Clydebank stocks, will ply the Atlantic under the joint control of the historic rivals, the Cunard and White Star lines, according to a working agreement expected to be announced when Parliament reassembles next week.

The "534," a gaunt steel framework, is the embryo of what her sponsors have said will be a super-liner, costing something like \$25,000,000 and of 75,000 tons, largest and fastest afloat. Work on her was suspended more than a year ago because of financial prospects.

**DIRECTORS HOLD MEETING**  
Directors of the two lines met here today. No official statement was given out, but it was understood a new arrangement will be perfected, whereby the companies can meet Government requirements for a loan with which to finish the craft.

Shipping circles heard a report that the two companies had agreed to amalgamate by means of a new operating company, but it was learned the "agreement" is under consideration rather than a full merger.

**BIG LOAN PROPOSED**  
About \$5,000,000 has already been spent on the "534," with about \$12,000,000 at the current rate of exchange, still needed. A Government loan of approximately \$24,000,000 has been proposed, but the Government has insisted the companies reach a working agreement before help is given.

Specifications were given as 1,018 feet in length and a speed of thirty-two knots—enabling her to cross to North America in four days.

## LOCARNO PACT AID TO PEACE

British Under-Secretary Replies to Critics—Must Discharge Responsibilities

SKIPTON, England, Nov. 3 (AP).—Striking back at the Government's critics who picture the Locarno Pact as a net dragging Great Britain into another European war, Captain Anthony Eden warned tonight that, if Britain fears to discharge her responsibilities, "she will invite the disaster which will follow."

**IS SOLE JUDGE**  
The Under-Secretary for Foreign Affairs, who has represented his Government at the Disarmament Conference in Geneva, said that Great Britain is the sole judge of whether she goes to war.

"Some people seem to imagine that, if we furnish some means of escape from what they are pleased to call the commitments of Locarno, we should be less likely to be involved in a European war," Captain Eden went on.

"The very opposite is the truth. Even a power so geographically remote from Europe as the United States became involved in the Great War."

"Certainly we cannot avoid another war by saying under no circumstances we will go to the aid of a power unjustly attacked."

**EFFECTIVE INSTRUMENT**  
The Locarno Pact, he held, was one of the most effective instruments for peace in Western Europe, and, therefore, it was the more unfortunate that a campaign should have been launched against it.

## MAHARAJAH NOT OBEYING ORDERS

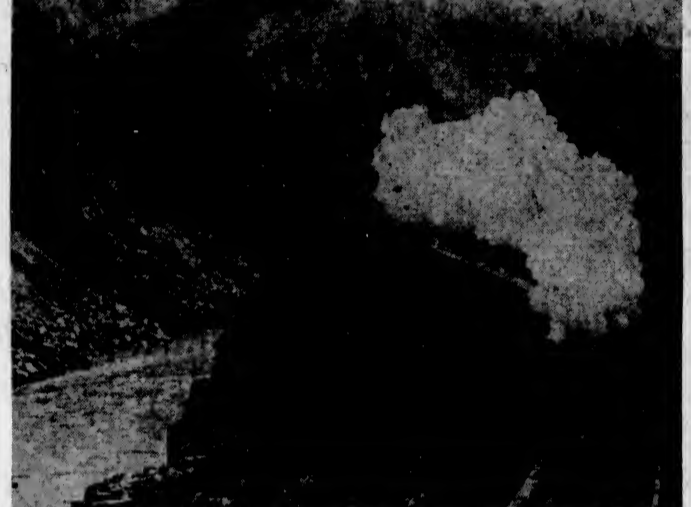

Indian Government Takes Over Administration of State When Ultimatum Disregarded

INDORE, India, Nov. 3 (AP).—The Government of the Central Provinces is taking over the administration of the senior Devas State, it was learned today, because the maharajah, Sir Tukoji Rao Puar, has disregarded an ultimatum that he return to the state.

The political agent of the Governor-General sent the demand that the maharajah return to the state, one of fifteen under the Central Provinces, by October 10, or the government would be taken over. The maharajah now is at Pondicherry, the French-Indian colony.

**This Extinguisher Was Automatic**  
HINDALE, Mont., Nov. 3 (CP).—Explosion that killed Mrs. V. T. Hartley also saved her life. She struck a match to find canned goods in her basement, flames erupted from her, but an extinguisher, believed caused by gas, burst a water pipe, wetting her clothing and permitting her to dash to safety.

## Royal Scot Crosses Rugged Mountains

Puffing her way through the Fraser Canyon, over high trestles and through cavernous tunnels, the Royal Scot, noted London, Midland & Scottish flyer, is shown here as she approaches North Bend at the start of her crossing of the Rockies over the Canadian Pacific Railway. The noted train accomplished mountain crossings without benefit of "pusher" power and entirely under her own steam.

## Declining U.S. Dollar Reflected in Improved Trend of Commodities

**Sudden Withdrawal of Japanese Troops Rouses War Scare**

PEIPING, Nov. 3 (AP).—Japan's sudden and complete withdrawal of troops from the North China demilitarized zone aroused speculations today among observers who pointed to strained relations between Japan and Russia as a possible reason.

A full Japanese division, following the withdrawal in accordance with terms of the Tangku truce, will be available for action against the Soviets in case of war.

Importance also was attached to Japan's permission to allow Chinese police to bring artillery and machine guns into the zone to fight bandits, for a military body was constituted thereby capable of controlling the area.

## London Is Preparing For Week of Notable Events and Ceremony

Parliament to Open Tuesday—Lord Mayor's Show and Guild Hall Banquet Thursday and Armistice Day Services Saturday

LONDON, Nov. 3 (CP).—For a display of historic old customs, of pomp and stately ceremony that only England can muster, next week is a red-letter week in the Old Country's calendar. The opening of Parliament by the King on Tuesday, the colorful Lord Mayor's Show on Thursday, the traditional Guild Hall Banquet on Thursday evening, and the solemn Armistice Day ceremonies Saturday comprise one of the great weeks of the year for the Londoner or the visitor to London.

## MAYOR ENTERS CIVIC ELECTION

Third Term Will Be Sought by Incumbent—Many Years in Public Life

Announcement of Mayor David Leeming's candidature for a third term of office was made at a luncheon meeting of the Victoria Real Estate Board yesterday.

Mayor Leeming has held the post of mayor for two years, having been elected at the conclusion of Herbert Anscomb's tenure of office.

Prior to that, he held a seat on the council as alderman for two years, being elected to the council ten years ago.

He also has been closely identified with Chamber of Commerce activities, and always has been a staunch supporter of the Victoria and Island Publicity Bureau, being president of the organization before being elected to the post of mayor.

**Sparrow Fooled By Weather Man**  
COURTENAY, Nov. 3.—A newly-constructed sparrow's nest, containing four fresh eggs, has just been uncovered during the shingling of a residence in this town. The workman regretfully found it necessary to remove the nest. Springlike conditions prevail here.

## B.C. GOVERNMENT WILL CHANGE HANDS NOVEMBER FIFTEENTH

Premier Tolmie and Ministry Will Vacate Office at First Possible Moment—New Liberal Administration Will Assume Task Within Twelve Days—Election Has Aftermath

## Cabinet to Meet and Arrange To Hand Over to Successors

DECISIVELY defeated at the polls, the Tolmie Ministry will step out of office on November 15, after the resignations of the present Cabinet have been presented on that date to Hon. J. W. Fordham Johnson, the Lieutenant-Governor. Dr. Tolmie announced yesterday. On the same day His Honor will call upon T. D. Pattullo, erstwhile Leader of the Opposition, to form a Liberal Ministry to take over the reins of government in British Columbia. All but formal details of the transfer of power were arranged yesterday, after Dr. Tolmie had called informally at Government House.

In the intervening twelve days Mr. Pattullo will get together the personnel of his Cabinet, to step into office at short notice. Within a few hours from the result of the polls, Premier Tolmie had called for the resignations of the members of his Cabinet, to take effect on November 15.

## WILL RESIGN PORTFOLIO

Hon. R. H. Pooley, K.C.; Hon. Joshua Hinchcliffe, Hon. S. L. Howe, Hon. William Savage and Hon. W. M. Dennis were either in the city, or expected back yesterday. Hon. J. W. Jones will arrive today from Kelowna. Hon. R. L. Maitland, K.C., Minister without portfolio, is the remaining member of the Executive Council whose resignation will be requested at that date.

Dr. Tolmie's announcement was made in the late afternoon, after he had been in personal contact with the members of his Cabinet. It was as follows:

## MINISTRY TO RESIGN

"I have asked all Cabinet Ministers to tender me their resignations, and on November 15 I will approach His Honor the Lieutenant-Governor."

## ONTARIO PLANS BIG NEW WORKS

Premier Henry Announces Undertaking to Cost \$38,000,000

TORONTO, Nov. 3 (AP).—Ontario's drive for recovery was given additional impetus tonight when Premier George S. Henry announced a \$38,000,000 works programme, involving all-provincial undertakings and projects in which the municipalities are vitally interested. The programme is expected to bring employment to 61,200 men and benefit all sections of the province.

Distribution of money and employment of labor under the programme is estimated by Premier Henry as follows:

**PROJECTS PLANNED**  
Provincial undertakings, including possibly, hydro building and extensions of public hospitals, 1,200 men and \$2,500,000; municipal undertakings, 5,000 men and \$7,500,000; trans-Canada Highway and board camps, 20,000 men and \$8,000,000; Northern Ontario development and road construction and maintenance and settlers' road work, 15,000 men and \$7,000,000; the highways, 10,000 men and \$8,000,000; county and township roads, 10,000 men and \$8,000,000.

## CHANGE IN POLICY

Although Mr. Henry stated it would not be possible to abandon direct relief entirely, he feels the plan of provincial and municipal undertakings, assisted by the Dominion, will make it possible to depart to a marked extent from the present policy aimed at getting back to a system of a moderate and reasonable pay roll.

## FLYING SQUADRON

Flight Lieutenant's Appointment to Metropolitan Police Gives Rise to Rumors

LONDON, Nov. 3 (CP).—Inclusion of Flight Lieutenant J. J. Lloyd-Williams in Thursday's list of appointments to high ranks in the Metropolitan Police force tonight gave rise to rumors that the force proposed to organize a real flying squad, as distinguished from the present so-called flying squad, consisting of swift automobiles for the use of detectives.

It was recalled that Lord Trenchard, commissioner of the force, himself is a former chief of air staff, and some officers already have authorized experiments in the use of aircraft for crime detection in country districts.

Tonight's rumor said further experiments were imminent to determine if use of police aircraft would be feasible in crowded districts, such as London.

For several years, aircraft have co-operated successfully in regulating traffic at Epsom on Derby Day.

## Early Decision on British War Debt Problem Foreseen

WASHINGTON, Nov. 3 (AP).—An early decision in Anglo-American war debt negotiations was indicated by Secretary of State Cordell Hull today after a conference with Under-Secretary Dean Acheson of the Treasury. The hint was given by Hull at his press conference when he indicated a statement might be forthcoming this week. Hull emphasized the debt conversations still were going on and would remain in the hands of Acheson, who has been the chief American spokesman from the beginning.

## WANT CARGO FOR EMPIRE

Shipping Conference to Consider Means of Holding Imperial Business

LONDON, Nov. 4 (CP).—The Daily Express today said an all-empire shipping conference would be held in London early next year to preserve Empire cargoes for Empire ships.

The newspaper said an organizing committee was being formed and invitations would be sent this month to representative shipping interests in the Dominions and Colonies.

## ORIGIN OF SCHEME

The development, it continued, was a sequel to a dinner given by Sir Abe Bailey, South African mine owner, in his London home. It said Sir Abe had invited leading British shipowners and a number of politicians, including Walter Runciman, President of the Board of Trade; J. H. Thomas, Dominions Secretary, and Winston Churchill, former Conservative Chancellor of the Exchequer.

The paper said the guests discussed the significance of a South African agreement to subsidize Italian shipping lines carrying Union cargoes to the Mediterranean, and made several suggestions, including subsidies by the British Government and grading dock dues throughout the Empire in favor of British ships.

## Mrs. I. A. Mutter Dies at Duncan

DUNCAN, Nov. 4.—Mrs. Isabella Allan Mutter, daughter of the late Alexander Morrison, of Kilmaun and Holy Loch, Scotland, and widow of the late J. M. Mutter, prominent resident of this district, passed away this morning.

Mrs. Mutter came to Canada in 1892. She was eighty-four years of age.

Surviving her are three sons: J. Islay, A. Allan and George W.; three daughters, Mrs. Harry Graves, Mrs. A. L. Hamilton and Mrs. Stanley Lamb, and eighteen grandchildren.

The remains have been taken to the funeral home, where funeral arrangements will be announced later.

## TWO KILLED IN CRASH

MIDDLETOWN, Pa., Nov. 3 (AP).—Lieutenant Lawrence C. Hunting, pilot, and Staff Sergeant John J. Cunningham were killed tonight as their plane, an army observation ship from Langley Field, Virginia, crashed into a York County mountain.

The plane was on a training mission.

The whole of British Columbia watched the race in the new constituency of Peace River yesterday, and odds were on the young native son of Nanaimo. When counting closed Tuesday night, he had a lead of thirty-one, which was tripled as the outlying returns were received.

The standing at midnight, with seven polls to report, was: Clive Planta, I.N.P., 920; M. C. Simmons, C.C.F., 826; Dr. W. A. Watson, Lib., 689; Mrs. Emily Crawford, Ind., 53. Results in other polls reported during the day were:

**COMOX**  
L. A. Hanna, Lib. (elected), 1,903; H. T. Allan, C.C.F., 1,414; R. T. Leach, Ind., 70; G. R. Bates, I.C.C.F., 239; H. G. Russell, U.P., 24. Liberals gain from Conservatives. Nine isolated polls unreported.

**MACKENZIE**  
Thirty-three polls out of fifty-one gave: H. Cartlough, Lib., 1,273; E. Bakewell, C.C.F. (elected), 4,502; Capt. John McGregor, V.C., I.N.P., 1,235. Gain from Conservatives.

**BURNABY**  
Complete: F. B. Law, Unionist, 1,040; Miss E. Johnson, Lib., 3,927; E. C. Winch, C.C.F. (elected), 4,502; H. J. D. Diffner, Ind., 22; W. H. Leach, Ind., 260; J. E. Johnston, I.C.C.F., 34; C. W. Hall, I.N.P., 514; James King, Soc. 26; J. Stevenson, U.P., 677. C.C.F. gain from Conservatives.

## Centres of Unrest in the Holy Land

Map shows the area in Palestine affected by latest outbreak of traditional friction between Arabs and Jews. At Jaffa (1), Nablus (2) and Jerusalem (3) police fired on rioters demonstrating against Jewish immigration, killing thirteen and injuring a score. A tense situation existed for some days.

## Ontario's Budget Is Balanced

TORONTO, Nov. 3 (CP).—Definite announcement the Province of Ontario had not only balanced its budget for the fiscal year ending October 31, but had achieved a surplus on the twelve months' operations of approximately \$150,000, was made tonight by Premier George S. Henry.

The deficit on October 31, 1932, was \$2,000,000, and a \$2,900,000 deficit for the year just ended was forecast by Hon. E. A. Dunlop, Provincial Treasurer, in his budget presentation to the Legislature.

Revenue for the year amounted to \$2,450,000 more than was estimated, while the Government cut \$660,000 from the estimated expenditure.

## Strike Again at Nazi Activities

SAARBUECKEN, Saar Basin Territory, Nov. 3 (AP).—The League of Nations commission for the Saar territory put its foot down sharply again today on Nazi activities in the Saar.

A decree soon to be presented to the Landesaat forbids the wearing of uniforms and insignia and the holding of parades, and provides heavy penalties for discrimination because of race and creed and for violence and threats of violence in connection with the 1935 prebilities.

## Challenge Nazi-ism On Behalf of Many Million of Germans

Newly-Formed Confederation Voices Protest of Christians Born and Trained, but Branded as Non-Germans by Anti-Semitic Laws

BERLIN, Nov. 3 (AP).—A Catholic priest, a Protestant pastor and two Christian, partly Jewish, attorneys, on behalf of millions of fellow Germans, tonight impressively challenged the Hitler Government's extreme Nazi-ism and anti-Semitism.

The occasion was the press conference of the newly-formed Reich Confederation of the Christian-Jewish citizens and non-Aryans, or persons of part Aryan descent.

The confederation aims to be a multiplicity for those four to six million Germans who are Christians by birth and training, whose every fibre is devoted to Germany, and who by Nazi laws have been stamped as non-Germans because one of their parents or grandparents happened to belong to the Jewish race.

With deep emotion, Attorney-Gunther Alexander-Katz, a war veteran who won the Iron Cross and whose father held a high government position under the Hohenzollerns, described the lot of the Germans who have lately learned that somewhere in their family tree there is a Jewish limb.

**WANT TO REMAIN**  
"We are Germans and we want to remain German," Alexander-Katz said. "We are Christians and we want to remain Christians. We are not interested in reference to those whose love for the Fatherland and for Germany is not as strong as ours."

## HISTORIC RIVALS IN SHIPPING MAY UNITE TO COMPLETE LINER

Plans Being Made to Resume Construction of World's Largest Ship, Now in Skeleton Form at Clydebank—Proposals to Be Made Known When British Parliament Reassembles

LONDON, Nov. 3 (AP).—The great liner, "534," now a steel skeleton on the Clydebank stocks, will ply the Atlantic under the joint control of the historic rivals, the Cunard and White Star lines, according to a working agreement expected to be announced when Parliament reassembles next week.

The "534," a giant steel framework, is the embryo of what her sponsors have said will be a super-liner, costing something like \$25,000,000 and of 73,000 tons, largest and fastest afloat. Work on her was suspended more than a year ago because of financial prospects.

Shipping circles heard a report that the "534" will be amalgamated by means of a new operating company, but it was learned the "agreement" is under consideration rather than a full merger.

**BIG LOAN PROPOSED**  
About \$9,600,000 has already been spent on the "534," with about \$12,000,000 at the current rate of exchange, still needed. A Government loan of approximately \$24,000,000 has been proposed, but the Government has insisted the companies reach a working agreement before help is given.

Specifications were given as 1,018 feet in length and a speed of thirty-two knots—enabling her to cross to North America in four days.

## LOCARNO PACT AID TO PEACE

British Under-Secretary Replies to Critics—Must Discharge Responsibilities

SKIPTON, England, Nov. 3 (AP).—Striking back at the Government's critics who picture the Locarno Pact as a net dragging Great Britain into another European war, Captain Anthony Eden warned tonight that, if Britain fears to discharge her responsibilities, "she will invite the disaster which will follow."

**IS SOLE JUDGE**  
The Under-Secretary for Foreign Affairs, who has represented his Government at the Disarmament Conference in Geneva, added that Great Britain is the sole judge of whether she goes to war.

"Some people seem to imagine that, if we furnish some means of escape from what they are pleased to call the commitments of Locarno, we should be less likely to be involved in a European war," Captain Eden went on.

"The very opposite is the truth. Even a power so geographically remote from Europe as the United States became involved in the Great War."

**EFFECTIVE INSTRUMENT**  
The Locarno Pact, he held, was one of the most effective instruments for peace in Western Europe, and, therefore, it was the more unfortunate that a campaign should have been launched against it.

## MAHARAJAH NOT OBEYING ORDERS

Indian Government Takes Over Administration of State When Ultimatum Disregarded

INDORE, India, Nov. 3 (AP).—The Government of the Central Provinces is taking over the administration of the senior Devas State, it was learned today, because the maharajah, Sir Tukoji Rao Puar, has disregarded an ultimatum that he return to the state.

The political agent of the Governor-General sent the demand that the maharajah return to the state on Oct. 15, or the Government would be taken over. The maharajah now is at Pondicherry, the French-Indian colony.

## STRIKERS TO FORM ARMY

Roosevelt Told Middle West Farmers Are Drilling Battalions

DES MOINES, Nov. 3 (AP).—Farm strikers tightened their grip on farm-to-market highways in five Mid-Western states tonight.

While five governors sought to effect an immediate price lifting programme through the Federal administration, renewed bombings in Wisconsin, flat-tuffs in Iowa, and violence in other states were reported.

The intensified picketing brought from Congressman F. H. Shoemaker, at Minneapolis, the assertion, "It may be impossible to quell demonstrations" unless farm prices are raised immediately.

**ORGANIZING AND ARMING**  
In a telegram to President Roosevelt, he said farmers were organizing military units under ex-service men. Four companies already were training and arming themselves with tear gas bombs for protection in Central Minnesota, he charged.

Creameries at Krakow and Zachow, Wis., were bombed today, sixth such occurrence since the strike began fourteen days ago. More than 500 Holiday and Wisconsin Milk Pool members voted unanimously to continue the strike at Madison.

**SHOT AT AND BEATEN**  
Twenty miles from the Sioux City market, Vern McFarland and Ward Libby were beaten by farm pickets, fired upon with shotguns and forced to turn back to their home near Odell.

Their cattle were unloaded and an attempt made to burn their truck.

Picketing was reported also in South Dakota, the eastern border of Nebraska and Minnesota, and members of the Alabama Dairy League at Birmingham joined the strike.

**SARRAUT WINS FIRST VICTORY**  
Chamber Giving New Government Chance to Present Economy Plans

PARIS, Nov. 3 (AP).—The young Government of Premier Albert Sarraut won its first victory tonight in the Chamber of Deputies, gaining a vote of confidence in its programme of "sound finances." The vote was 320 to 32.

The issues leading to a vote of confidence today were virtually the same as those which caused the recent downfall of the Cabinet of Premier Edouard Daladier.

**IS GIVEN A CHANCE**  
Averse to precipitating another ministerial crisis, fearing the effects on the French franc and the gold supply in the Bank of France, the Deputies voted to give the new Premier a chance to produce economic restoration.

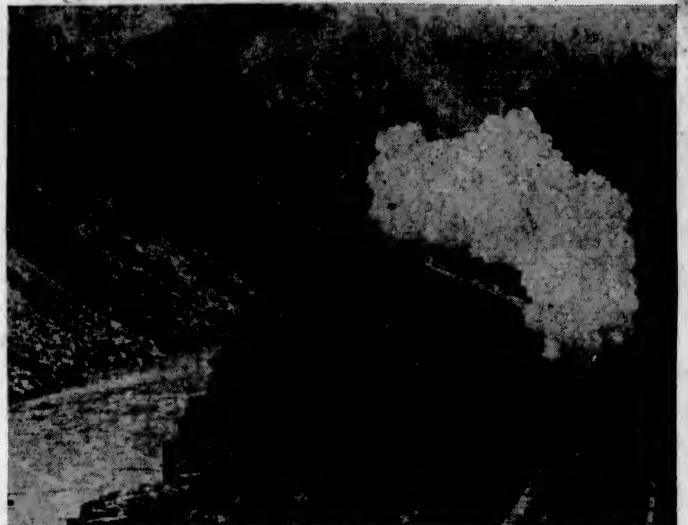

Despite the apparent size of the Government majority, the Cabinet got only twelve votes over a clear majority in the Chamber, there being more than 200 who abstained from voting. The latter included the Socialists and the group surrounding former Premier Andre Tardieu, who are waiting for specific bills from the Government.

**FACING HARD FIGHT**  
Many of the Deputies predicted tonight despite today's vote the Government is facing a hard fight. The Premier declared he would stake the life of his Ministry on financial proposals which he intends to present fully in a few days.

Although the first reception to the ministerial programme was apparently cool, the Premier made a last minute energetic appeal for a chance to present his programme. He surprised his friends with the force of his oratory.

**STOVE FUMES FATAL**  
CALGARY, Nov. 3 (CP).—James Norbush Hunter, twenty-four, of Calgary, prominent geologist employed by the Altkob Gas Exploration Company, is dead at Lone Rock, Sask., from carbon monoxide poisoning, according to word received here. Hunter succumbed in his sleep from gasoline stove fumes.

Newly-Formed Confederation Voices Protest of Christians Born and Trained, but Branded as Non-Germans by Anti-Semitic Laws

BERLIN, Nov. 3 (AP).—A Catholic priest, a Protestant pastor and two Christian, partly Jewish, attorneys, on behalf of millions of fellow Germans, tonight impressively challenged the Hitler Government's extreme Nazi-ism and anti-Semitism.

The occasion was the press conference of the newly-formed Reich Confederation of the Christian, Jewish citizens and non-Aryans, or persons of part Aryan descent.

**DEVOTED TO GERMANY**  
The confederation aims to be a mouthpiece for the four to six million Germans who are Christians by birth and training, whose every fibre is devoted to Germany, and who by Nazi laws have been stamped as non-Germans because one of their parents or grandparents happened to belong to the Jewish race.

With deep emotion, Attorney Günther Alexander-Katz, a war veteran who won the Iron Cross, whose father held a high government position under the Hohenzollerns, described the lot of the Germans who have lately learned that somewhere in their family tree there is a Jewish limb.

**WANT TO REMAIN**  
"We are Germans and we want to remain German," Alexander-Katz, chairman of the confederation, maintained in reference to those whose love for the Fatherland and

### ECONOMY STRESSED IN CIVIC AFFAIRS

Addressing the Real Estate Board yesterday, Mayor David Leeming reviewed the financial situation that faces the city. Quoting from the figures with regard to the population and the amount required to meet the liabilities of the municipality, he said the city could not regard itself with pride as to financial stability. Victoria ranked highest among Western cities with respect to the percentage of tax collections made. It was excelled even in the East by only two cities, which was a proud position.

Under the new system of deferred payment of taxes, he had obtained the figures as to payments made during the first two days of November, and these exceeded that of the year before by \$10,000. The collections for arrears of taxes were coming in well.

**BALANCE BUDGET**  
If the collections continue to come in as well as indicated, the city had the promise of balancing the budget in cash at the end of the year. Referring to the sinking funds, the Mayor spoke of the rapid change in which these were. The surplus earnings of the fund had been utilized to some extent in the financing of the city in past years, but there was still a large surplus there. In their dealings with investments for the absorption of the sinking funds, the city had been very fortunate and had made a good profit.

The next eleven years in the life of Victoria would be the trying time, owing to the amount required to meet the debt charges in that time. After 1944, the decline in these charges would be quite rapid.

**FINANCES STABLE**  
While the efforts of the council to meet the situation that existed were successful and the city could

be said to be in a stable condition as to finances, there were problems which he asked the realtors as well as other citizens to co-operate with the council in seeking remedies.

By figures drawn from various means of arriving at the population, His Worship contended that the population of the city proper had been decreasing over the past decade. It was evident that the younger married people were moving from the city to surrounding municipalities, leaving the older section of the population in the city. By this means, the revenues were not increasing as might be expected.

There was a constant shrinkage in taxable property, which made it necessary, if the revenues were to be kept up to meet the requirements, to have other sources of taxation found.

**HEAVY BURDENS**  
Dealing with the unemployment problem and the demand made that employment should be found for more than that on hand should be found. He suggested that part of the amusement tax, of the gasoline tax, and various other imposts like these should be shared with the municipalities by the Government.

The situation which presented itself called for the exercise of economy. During the ten years before them, they must see that provision was made for the liabilities that the city had to face. He saw no need in sight for any large borrowings. The surplus to keep the tax rate within the ability of the citizens to pay, Mayor Leeming said.

prices were dictated by the internal situation here and were part of his general effort to raise the prices of commodities.

**MARKETS ROSE**  
As the dollar declined, commodity markets rose today. Wheat gained 15-8 to 23-8 cents. Cotton was 13-4 to 23-8 cents. Cotton was 15-8 to 23-8 cents. On the strength of the advances in grains, the stock market also moved upward, closing one to three points higher.

Despite a slight drop in the London gold price, the price of bullion there, when translated into dollars, stood at the highest point since the administration started dealing in gold.

The London price was \$32.26. Against this a figure of \$32.57 was set for Reconstruction Corporation purchases of newly-mined domestic gold. This was twenty-one cents higher than yesterday, and another new high. The figure has been advanced with each daily announcement.

**PRICES STIFFEN**  
By buying gold abroad and increasing the price of the metal there as well as here, Mr. Roosevelt hopes to induce an increase in domestic prices. This expectation is based upon the economic theory gold and commodity prices are closely related and follow the same trends.

In buying foreign gold, the Federal Reserve Bank of New York is acting as the Government's agent. Great secrecy has been thrown around these operations, lest speculators both here and abroad seek to take advantage of the President's programme or attempt to hinder it.

### REVELLERS FORM MAINLAND BRANCH

Vancouver Club to Foster Service Work, Sportsmanship and Good Fellowship

Service work by the Revellers Club of Victoria was extended to Vancouver on November 1, when a branch of the club was formed in that city. This branch will foster service work, sportsmanship and good fellowship, the same as has been done by the Victoria club in the past.

The Revellers Club was originally formed on April 24, 1928, and incorporated under the Societies' Act on October 7, 1929. The club is a member of the Service Clubs Council in Victoria, and has always been active and has co-operated with the other service clubs in any enterprise entered into by the council. One of the first steps to be taken by the Vancouver branch will be to become a member of the Vancouver Service Clubs Council.

Kenneth R. Ginn, one of the founders of the Victoria club, was instrumental in the formation and inception of the Vancouver branch, and to which he devoted much time and effort. The whole-hearted thanks and appreciation of the Revellers go to him.

Bernard C. Gillie is the president of the Revellers in Victoria, the vice-president George G. Edwards, secretary, Cowper W. Newbury, and the treasurer, Stanley L. Hearn. The original members of the Vancouver branch are as follows: J. A. Bell, W. S. Bennett, G. U. Clarke, H. D. Genn, H. J. W. Phillips, E. G. Thomson, A. E. Todd and J. L. Tyrer.

whose past service to the state has, he said, lately been set at naught. "We hold that besides the community of blood, there is a community of German nationalism born of a common faith, a common experience, and a common feeling," he asserted.

### PRAYS FOR HITLER

Among the numerous letters which were read was one from a non-Aryan mother who described how her blond and blue-eyed boy had a picture of Chancellor Hitler on his night table and how he prayed every night for his heart if and when he learns he is not a German and can never be one, the mother wrote.

Parliament. Properly, the anniversary comes on Sunday; but most of the fireworks displays and other observances, will be held Monday night.

The Lord Mayor's Show, marking the inauguration of the new Lord Mayor of London, is one of the greatest annual street pageants in the world, and costs a goodly penny. Hundreds of thousands of children for the day, will watch the long, picturesque procession, under flags and banners, from the Guild Hall to the Law Courts and back again.

### FORM GREAT SIGHT

Bands and tableaux, the city fathers in their dignified carriages and, topping all, the Lord Mayor in his great gilt coach, with the coachman be-wigged and be-powdered on the box, form a great sight.

Most brilliant scene of all is the Guild Hall banquet, Thursday evening. The lights of the grand old building will flash as they have done for hundreds of years on this occasion, on one of the greatest assemblages of the land. Off the city's gold plate are served rich and rare dishes, and then the Prime Minister addresses the throng in what is traditionally his most important policy speech of the year.

### IMPRESSIVE CEREMONY

Far different will be the tone marking the impressive Armistice Day celebrations on Saturday, greatest of them all, of course, at the Cenotaph in the Whitehall, where the King will attend. Key-note of the solemn reverence to the war dead, the two-minute silence is nowhere in the world more impressive than in the heart of the Empire, where the King, his sons and his ministers pay tribute. The Duke of York will attend the ceremony at Balmoral.

### Hero Given Reward for Brave Deed

Government House was the scene of an unusually interesting ceremony yesterday when His Honor the Lieutenant-Governor presented the Royal Canadian Mounted Police's certificate to Kenneth Quagliotti, hero in a life-saving incident here recently.

His Honor very warmly praised and congratulated Kenneth in making the rescue. Mrs. Quagliotti, mother of the latter; Mrs. A. Steele, an aunt, and Mrs. Woods.

Others present on the occasion were Kenneth Stanlake, who was with Kenneth Quagliotti at the time of the rescue; Mrs. Quagliotti, mother of the latter; Mrs. A. Steele, an aunt, and Mrs. Woods.

### Bridge Party Will Be Held For Chapter

Plans were made yesterday by Camosun Chapter, I.O.D.E., for a telephone bridge party during the week of November 13 to 19. A member was asked to arrange one or more tables in her home, the results to be given not later than November 19. Mrs. A. E. Hopkins is in the chair, and the new secretary, Mrs. J. M. Newcomb, was welcomed. A report of the recent bridge party was given and a letter of appreciation will be sent to David Spencer, Limited, for allowing the "cottage" cake to be exhibited in the store.

The educational secretary announced that Mr. M. D. Fairbairn will give an address to the chapter on Monday, November 20, on the subject of "The Queen Charlotte Islands."

Plans were made to assist with Poppy Day, and requests for assistance with Christmas hampers, toys for the Boy Scouts' shop in aid of Christmas cheer for children were made and help promised. An invitation to the Royal Oak Chapter tea and baby shower for a needy family was received.

### WORK IN INDIA

Mrs. Andrew Mackenzie read an excellent paper on the obligations of the order in connection with work in India, emphasizing the need for its support, and the plight of women and children in India was related by Mrs. Mackenzie. The need for education was most urgent, she said. National Chapter has pledged itself to provide \$10,000 towards the educational programme, to provide salaries for teachers, and Camosun Chapter will do its part to supply the necessary sum of money.

Mrs. P. E. Gorb's report of the semi-annual meeting at Nanaimo was read by the secretary, and a copy of Miss Isaac Terry's letter, which was read at that meeting regarding finances, was also heard by the chapter.

### GUARD SHOWS HIS SYMPATHY

MADRID, Nov. 3. (AP).—"Because he was sorry for him," Martinez Hernan, night chief of the practically impregnable Alcala de Henares Prison, permitted Juan March, Spanish millionaire, to escape late last night.

March had been in jail for two years since he was banned from the Spanish Chamber of Deputies on the charge of irregularities in connection with his great tobacco monopoly in Morocco.

### Cymrodorion Society Holds Jolly Concert

An excellent programme was enjoyed by a large gathering at the regular meeting of the Victoria Cymrodorion Society of the Sons of England Hall last night.

Maurice Thomas, who was recently made president of the organization after the former president had resigned, was in the chair for the first time, and among other business, it was decided to hold a bazaar at the Sons of England Hall on Friday afternoon, December 1.

Those who contributed to the programme last night were Master J. McPherson, Miss D. Evans, Stanley James, Maurice Thomas, H. Hollins and Miss Celia Lewis. Accompanists were Miss Jessie Jones, Miss G. Evans and Miss Gladys Kinney.

CHICAGO, Nov. 3. (AP).—The projected balloon ascension of Lieutenant T. G. W. Settle, U.S.N., and his aide, Major Chester Fordney, U.S.M.C., into the stratosphere on scientific expedition, was again postponed tonight because of unfavorable weather conditions.

"If I had my way I'd break up every radio I could lay my hands on," she complained. "Never did have any time for them, and now that the people next door have had one installed, I feel worse about them than ever. I'd like to get my hands on the man who invented the wretched things."

Her friend nodded sympathetically. "That's just the way I feel about them myself. I suppose your neighbors keep it going till the early hours of the morning?"

"Yes, they do," she replied. "But I don't mind that so much. What I do object to is the way they turn on full strength every time they have a row, and I can't catch one word they're saying."

Of the 40,000,000 mail bags handled by the British postoffice in 1932, only forty were lost or stolen.

## MUSICAL REVUE PLEASES MANY

Students of Italian School of Music and Dancing Give Fine Performance

With songs, dances, musical parades and instrumental numbers, members of the Italian School of Music and Dancing last night, in the Shrine Auditorium, intrigued 750 children and adults with their dance and musical revue produced in the interests of the B.C. Protestant Orphans' Home. The show was under the direction of Madame Lillian Atfield, assisted by Miss Grace Atfield.

Eighteen acts, of diversified nature, were given, assisted by clever and effective lighting effects. Many artists presented the well-balanced programme, which met with a large response from the audience.

The voice of Freda Spencer, B.C. Musical Festival medalist, pleased, and the brilliant and finished dancing of Miss Grace Atfield proved very popular.

In an Italian setting, a chorus dance and song number, entitled "Santa Lucia," was rendered, with Miss Spencer carrying the lead.

**SPIRITED SPANISH DANCE**  
The spirited Spanish dance, "Carmencita," was well interpreted by Miss Atfield. A clever exhibition of tap dancing was given by Miss Muriel Marshall.

The musical parade, "Fading the Flag," brought forth fine dancing by Betsy Newcomb.

Atmosphere of the early West was created in the musical scene, "Cowboys' Playtime," when Misses Minnie Lang, Jennie Dearborn, Evelyn Holt, Grace Atfield, Pearl Chisholm, Annie Provan, Claudine Castillo, Lona-Marie Atfield, Inez June, Ardna McDonald, Freda Spencer, Betsy Newcomb, Dorothy Burrows, Agnes Robertson, Laura Peaker, Lily Burrows, Audrey Robertson, Muriel Marshall and Peggie Provan, and Albert Marshall and Edmund Holt presented songs, dances and guitar, piano, accordion, mandolin, cello and banjo selections in a grand finale.

Tiny William Osselson, as the "Diminutive Cowboy," delighted the audience with a cowboy dance.

### Russia Theme Of Informal Dinner Talk

Major J. G. Rycroft, of the Dominion Intelligence Department, attacked to H.M. Barracks, Esquimalt, gave a fascinating and exceptionally well-informed talk on Russia, at a special dinner meeting of the Soroptimist Club last night at the Glenisiel Hotel.

## ASHAMED OF HER FIGURE

Husband Persuaded Her To Take Kruschen

By following her husband's advice, this woman made a tremendous improvement in her appearance—she actually took off 30 lbs. of her excess fat. Telling of her experience, she writes:

"A year ago I was troubled with rheumatism, nervousness and other complaints. And I got so fat that I was ashamed of my figure. I was persuaded by my husband to take Kruschen Salt. Before I began, I weighed 161 lbs. After taking Kruschen for a short time the rheumatism was less painful, my nerves got stronger, and my step lighter. Then I knew that Kruschen was doing me good, so I persevered with it and got my weight down to 139 lbs., a reduction of 22 lbs. of unwanted fat. I am not boasting when I say that I feel younger and more active, have a much better figure, and am healthier than I have been for years."—(Mrs.) J. S.

Total damage to the university plant is placed at \$1,500,000. ## B.C. GOVERNMENT WILL CHANGE HANDS NOVEMBER FIFTEENTH

Continued from Page 1

and present these resignations to him, with my own. The Lieutenant-Governor has seen the Hon. the Leader of the Opposition, and this date will be satisfactory to him.

"We are moving out of office just as promptly as possible. The intervening time will be necessary to wind up the affairs of the various offices in the present Ministry. Under the law we could have waited for twenty-one days to elapse before the official record, and even have extended that until after the by-elections in two ridings. We are anxious, however, of turning over the reins of office to the incoming Liberal Government at the earliest possible moment.

"I would point out that the general election of 1928-29 took place on July 18, and that the present Government was not sworn in until August 20, so that I think we are being reasonable about the matter, Premier Tolmie concluded.

**STANDING OF GROUPS**  
Following constitutional practice, the leader of the strongest group in the next Legislature will be called to form the new Ministry.

REV. FRANK LANGFORD, D.D., of Toronto, general secretary for youth people's work in the United Church of Canada, who will give the opening address at the annual Leadership Training School for Sunday School Workers in the Memorial Hall here on Monday evening. Dr. Langford will occupy the pulpit of the Central Church tomorrow morning, and speak in the First United Church in the evening.

on to form the new Ministry. From incomplete election returns yesterday, T. D. Pattullo was virtually assured of thirty Liberal seats in the Eighteenth Legislature, with a possibility of adding to that total in the two deferred polls at Victoria City and Vancouver Centre.

The C.C.F. with six seats; Independent Non-Partisans with two seats; and Unionists, Labor and Independents each with one seat, comprise the known remainder of the first forty-one seats voted upon. Six seats only remain to be filled in this city and two in Vancouver Centre.

**CAMPAIGN TO REOPEN**  
Victoria and Vancouver Centre will be thrown almost immediately into the vortex of their adjourned elections. Official and final nominations will close at 1 p.m. on Monday in both centres, leaving little enough time for whatever adjustment the preceding polling may bring about in the desire of candidates to continue their participation or to withdraw from the field. This point was seriously under consideration before several groups in Victoria yesterday without official announcement being made. Col. Lorne Ross (Ind.) has withdrawn.

Those already nominated may remain as candidates in good standing, while new nominations may also be filed. Withdrawals are good on condition.

## COLLECTION OF TAXES GAINING

Only \$100,000 Needed to Reach Estimated Figure—Second Penalty Added

Mayor David Leeming yesterday reported that only \$100,000 remained to be collected in taxes to bring the city's revenue up to the budget estimate. This was revealed in a report on the collections made up to the end of October.

All property holders are being circularized in an effort to advise those who have not paid that early payment will avoid additional penalties.

Yesterday a second 1 per cent penalty on tax arrears went into effect. Another 1 per cent will be added at the end of this month, and a final 5 per cent penalty will be added at the end of December, bringing the total penalty to 8 per cent.

## INQUEST WILL BE HELD ON MONDAY

Body of J. Stevenson, Who Disappeared Several Days Ago, Is Found on Waterfront

An inquest into the death of J. Stevenson, whose body was found on the Dallas Road waterfront yesterday morning, will be held at Curry's Funeral Parlor at 10 o'clock Monday morning.

Mr. Stevenson disappeared from the Salvation Army Hotel, on Johnson Street, several days ago, leaving behind two strange notes.

William Jones, 706 Blanshard Street, discovered the body and telephoned to police, who had the remains removed to the mortuary. Mr. Stevenson was believed to be about sixty-five years of age. He was identified by papers found in his clothing.

**RETURNS COMING**  
Confirmatory wires by British Columbia returning officers to the deputy provincial secretary left the initial standing almost without change, except that in Dewdney the election of a Liberal appeared probable.

In Esquimalt, the effect of the other Point poll and incoming absentee ballots left the standing of candidates unchanged, but increased the lead of Attorney-General Pooley over his closest rival, C. E. Whitney-Griffiths, to fifty-seven.

The totals as reported yesterday afternoon were as follows: Hon. R. H. Pooley, K.C. (Unionist), 1,445; C. E. Whitney-Griffiths (Liberal), 1,388; Norman A. Brown (C.E.F.), 517; and James Eirik (Independent Non-Partisan), 355. The C.C.F. candidate picked up twenty-eight votes, Mr. Griffiths picked up eleven, and Mr. Pooley fifteen, from other Point and absentee ballots dribbling in from other points.

**STANDING IS SAME**  
In Saanich, the reported totals yesterday afternoon stood as follows: Reeve Crouch (Ind.), 504; W. E. Peirce (C.C.F.), 1,207; Dr. Tolmie (Unionist), 1,821; and Norman W. (Whittaker) (Lib.), 2,143, with fifty-seven spoiled and twenty-three rejected. This included some absentee ballots, but left the relative standing unchanged.

The aftermath of the election provided prolific scope for discussion yesterday. Satisfaction at a decisive verdict appeared in most quarters. Virtual elimination of unattached groups came as somewhat of a surprise. The defeat of Dr. Tolmie in Saanich had reverberations across Canada, with dozens of wires reaching the Premier here during the day, expressing regret.

**WORLD'S WORST JOB**  
"Even in defeat we love you still," wired Dr. Maloney, M.P., from Ottawa. "Congratulations from being relieved from the world's most unsavory job," read another message, while there were scores more, all testifying to the personal esteem in which Dr. Tolmie is held. T. D. Pattullo, Premier-to-be, called on Dr. Tolmie in the morning, and added his own personal regrets, being congratulated by Dr. Tolmie in turn on his success.

Post-election statements on the Government side were brief. Attorney-General Pooley pointed out that the Government had done the way of all ministries in disturbed times, such as the present, where the people visited on those in office the blame for the world's most unsavory job. He expressed his satisfaction with conditions mostly beyond the control of any administration. He thanked his supporters in Esquimalt for their efforts, and expressed his own regret at the defeat of Dr. Tolmie by the fortunes of the ballot box.

The Attorney-General wished the new administration every success, and was particularly pleased with a message of congratulation from F. M. MacEachern, Liberal member-elect for Cranbrook, received during the day. Relieved of most of his cares, Mr. Pooley is going hunting at the week-end for the first real holiday in months.

**FEW HEARTBREAKS**  
Hon. William Savage, Minister of Works, and Hon. W. W. Dennis, Minister of Labor, took defeat gracefully, losing out in Vancouver ridings. Both commented on the decisive victory of the Liberals.

Air conditions, it was announced officially, stopped the arrival of an airplane chartered to carry ballot forms to Telegraph Creek, and a deferred poll there, and at "Jesse Lake will follow when the ballots arrive. The results in both divisions will be kept distinct, and it will be open to any candidate in Athol to appeal to the courts, if dissatisfied with what amounts to superhuman efforts to serve these polls on time.

**6 YEARS AGO**

TORONTO MAIL AND EMPIRE  
Oct. 20th 1927

In 1925, while skeptics and critics were loudly declaring that the direct operation of a radio set from A/C current (eliminating all batteries, chemicals, chargers, etc.) could not be done, young "Ted" Rogers, of Toronto, DID IT—and this, Canada's contribution to the development and progress of radio, was the greatest forward step since the invention of the vacuum tube.

Now, in its third year, the Rogers stands supreme as the pioneer of "Electric" Radios. Today radio sets operating direct from any light socket, without batteries, chemicals or chargers, are not merely an accepted success but are the standard, and will, within another year, completely supersede battery sets where electric current is available.

**TO-DAY**  
**ROGERS Again "Scoops" The Radio World!**

**Our Prediction Six Years Ago** that Rogers—the first electrical radio—would make all battery radios obsolete, proved true. It's history now how Rogers led the field. To-day Rogers-Majestic are making history again. Now they announce another sensational achievement—the Full-Spray, Seal-Shielded 7-Point Guaranteed Tube! Again Rogers-Majestic offer you NOW what other radios will offer you in the future.

**The Full-Spray, Seal-Shielded 7-Point Guaranteed Tubes** are the greatest development in radio since E. S. Rogers introduced to the startled radio world the perfected A/C tube that made the electric radio a reality. "Seal-Shielded" Tubes will eventually become the standard for all makes of radio. To-day they are

exclusive to Rogers Radio and Majestic Radio—developed and perfected by Rogers engineers in Canada.

**Look in the Back of Your Radio—**  
If the Tubes Are Covered With Tin Cans, It's Old-Fashioned—Even Though It Be New  
If you would fully enjoy Radio's million dollar daily performance, you must have a radio equipped with the Seal-Shielded tube. Ask your dealer or write us for booklets of facts on this Seal-Shielded tube versus the old-fashioned shielding cans. Know what the Rogers-Majestic "New Deal" in radio means.

**• The "New Deal"!** Every new model of Rogers and Majestic, regardless of price, now embraces all the major advances in radio introduced during the past three years—features that have heretofore been available only in the more expensive model.

New Moderne Type Cabinets and The Exclusive Rogers Full-Spray, Seal-Shielded Guaranteed 7-Point Tubes

**THE 7-POINT SUPERIORITY OF SEAL-SHIELDING**

1. Affords the only perfect shield.
2. Eliminates vibration caused by loose cans around the tubes.
3. Permits increased power.
4. Absorbs and carries off "charges" and excess heat which cause distortion and damage.
5. Preserves uniform temperature and prevents "hot-spotting".
6. Insures perfect tonal fidelity.
7. Greatly prolongs the life of the tube—which is one of the reasons why every Rogers Seal-Shielded tube is fully guaranteed.

## TO OBSERVE POPPY DAY

Committee Completes Plans  
for Annual Drive for Funds  
Here Today

Today is Poppy Day! After many weeks of hard work, Commander C. H. R. Slingsby, chairman of the Remembrance Day committee in charge of this annual event, announced last night that all plans were complete for the drive for funds to aid the disabled ex-service men.

Official poppy sellers will be stationed on every downtown street corner, and the big cross, which is covered by purchased poppies every year, will be placed outside the Bank of Montreal, at the corner of Yates and Douglas Streets.

At the committee's headquarters, at 752 Yates Street, wreaths and decorative sprays, all made by workers at the Red Cross Workshop, will be sold.

Commander Slingsby stated that

all taggers on the streets will display armlets and will be made up of teams supplied by the various branches of the Canadian Legion and by the Women's Auxiliaries of the Legion.

## Broke Quarantine To Register Votes

VANCOUVER, Nov. 3 (CP).—What's an elector to do who is enthusiastic over his favorite candidate, and is quarantined on account of a communicable disease in his family?

Two voters from a house under quarantine, according to a complaint made to a Burrard deputy returning officer, solved the difficulty yesterday morning.

They broke quarantine, proceeded to the polling station and voted.

To a luncheon of Scottish ministers—all of whom were strictly isolated—came old Donald, who was not. It was whispered to the host that it would be a kindly act to put a "wee drap" of whisky in Donald's glass of milk. This was done.

Donald eyed the milk suspiciously for a few minutes and then took a sip. More sips followed. Suddenly he turned to his host: "Man, what a cool!" he said.

## ASK FOR BETTER TERMS TO CITY

Real Estate Board to Consider Demands for Restoration of Grants

With the election of the Provincial Legislature practically settled, the real estate board of the city was faced with a notice of motion yesterday to deal with matters affecting the revenues of the municipality at the next meeting. The notice of motion expresses regret at the curtailment of municipal revenues by the cutting off of former grants by way of grants that were made by the Province. It goes further, and registers a protest against, and recommends an early restoration of these.

## GROUND FOR PROTEST

The notice of motion was given by James Forman, seconded by Joseph G. Bridgman, and reads as follows:

"That the financial stability of the municipalities of British Columbia is of paramount importance. That the burden of debt which the Province of British Columbia has built up is a most serious menace to the future welfare of the province.

"That unless greater care in capital and revenue expenditure is not instituted at once, disaster will ensue.

"That the municipalities are largely dependent on the Provincial Government for the necessary money with which to pay the cost of education, social services, hospital and other work quite outside of the usual scope of municipal government.

"That the money with which to carry on this work is actually collected by the Provincial Government from within the bounds of the municipalities, but is being diverted to purposes for which it was never intended.

## SERIOUS SITUATION

"Therefore be it resolved that in the opinion of this board such curtailment in the grants hitherto made to the municipalities is injurious to the province as a whole and creating a serious situation within the municipalities, placing as it does an ever increasing burden on land, with consequent reversions of property hitherto able to carry itself, and that in our opinion the grants must be restored to their former standing if the municipalities are to continue to function.

"That a department of municipal affairs be created having a voice in the equitable division of revenue as between the Province and the municipalities.

"That while we have no desire to intrude municipal affairs into the sphere of Provincial politics, we desire to register a protest against lavish Provincial expenditure which results in curtailment of municipal revenue, and if the Provincial Government desires to extend its activities by large scale expenditure for public works outside of the bounds of municipalities, such expenditure must not be at the expense of the municipalities."

## At the Theatres

### TWO MATINEES OF MAE WEST STORY

"She Done Him Wrong" Will Be Offered at Capitol Theatre Twice Today

A special matinee is being held this morning and again tonight at the Capitol Theatre, featuring Mae West in "She Done Him Wrong."

This startling picture has been brought back to Victoria by the Capitol management because of numerous requests of local theatre-goers. The morning matinee will commence at 10:30 o'clock, while the evening performance is in the nature of a guest showing, to which all patrons attending the last presentation of "The Bowery" are invited as the guests of the management.

"She Done Him Wrong" is one of the most sensational films released here in many months. Mae West, whose acting on the New York stage brought her front-page fame, has the leading role in a story of the nineties in New York.

The story concerns itself with Miss West, who plays the role of Diamond Lil, a notorious underworld character, and a bogus mission worker, portrayed by Cary Grant. All the old favorite songs, such as "After the Ball" and "Only a Bird Can Sing," are heard in the picture, while Miss West sings "Frankie and Johnnie" and "A Guy What Takes His Time."

### MELODRAMA NOW AT THE CAPITOL

Wallace Beery and Jackie Cooper Have Leads in "The Bowery" Plot Is Amusing

Re-creating "The Bowery" of New York's East Side just as it was in its heyday, with all its famous real-life characters, proved to be a gigantic task, but New Yorkers who know their New York of the '90s declare that Twentieth Century Pictures, new producing organization releasing through United Artists, has done a magnificent job in its first picture, "The Bowery."

A vast amount of research was necessary before work could begin in New York and Hollywood on "The Bowery." Old files of The Police Gazette, thousands of old tinype and yellowed photographs of bygone days, brittle clippings from New York newspapers of the '80s and '90s and scores of books were carefully scanned by the research department of Twentieth Century Pictures months and months before actual filming started.

"The Bowery" will be the feature attraction today at the Capitol Theatre. It was adapted by Howard Estabrook and James Gleason from the book, "Chuck Connors," by Michael L. Simmons and B. B. Solomon. The cast, besides its stars, Wallace Beery, George Raft and Jackie Cooper, includes Fay Wray, Bert Kelton, Esther Muir, Oscar Apfel, George Walsh and others.

### RESERVATION OF BONDS PROPOSED

Small Investors Still Buying City Debentures—Council to Encourage Citizens

It is highly probable that the city may keep a small supply of its own debentures in the treasury office for sale to the public in view of the demand for them from small investors.

Actual cash sales of the refunding issue, yielding 5.5 per cent, have passed the \$100,000 mark, with applications sending that figure several thousand dollars higher.

The treasury department officials have been impressed recently with the large number of persons who have wished to buy \$100 and \$500 bonds, but have been unable to do so until the time was ripe for them. Others have been waiting to convert maturing bonds into city bonds.

It is for the purpose of assisting the small investor to put his money into good securities that it is proposed to keep a supply of the city's debentures on hand.

Mr. Clifford G. Morrison, Rainy River, Ont., has abundant reason to bless the day he heard of BUCKLEY'S MIXTURE.

Since his school days he has suffered from bronchitis, but now at the first sign of an attack he nips it in the bud with BUCKLEY'S MIXTURE. He says: "My experience with this wonderful medicine makes me always keep a bottle in the medicine chest—I never worry about bronchitis now."

Mr. Morrison's experience can be yours. If you are lying awake nights, racked to pieces with coughing, choked up until you can hardly breathe, just try BUCKLEY'S MIXTURE. You will be astounded how quickly the cough will stop, how your breathing will instantly become easier.

There's nothing like Buckley's for quick, sure, safe relief. It acts like a flash—A single sip proves it.

## DEPUTATION IS AGAIN MISSING

Public Works Committee Instructed to Meet Delegation November 10

Another letter was received by the public works committee of the City Council yesterday from a committee of unemployed instructing the council that the deputation, seeking a 25 per cent increase in relief, would wait upon them on November 10.

Mayor David Leeming explained that already two invitations had been sent to the deputation advising them when the public works committee would meet, and that the second one apparently had been turned down since no representatives were attending the present meeting.

"We can't go on indefinitely sending invitations to delegations that refuse to meet us. The council is running this city, not an outside body. Next Friday we have a most important meeting and it will not be convenient to meet them on that date. There is no reason why they could not have met us this afternoon," the Mayor said.

Alderman P. R. Brown moved that, in view of the importance of next Friday's meeting, the delegation be informed that the council will advise them of another convenient date at which they may appear to present their case. The motion was carried.

## FLEET TO RETURN TO THE ATLANTIC

United States Naval Forces Will Be Concentrated on Eastern Seaboard in Spring

WASHINGTON, Nov. 3 (AP).—The United States fleet will be concentrated in the Atlantic next Spring for the first time in almost four years.

President Roosevelt today authorized the first line of defence to start steaming from the Pacific to the east coast after the winter months. It will return to the Pacific in the fall.

The fleet, comprising the battle and scouting forces—the latter formerly known as the Atlantic fleet—have been stationed in the Pacific since the Spring of 1932.

During the past eighteen months, the navy has explained, the scouting force was kept in the Pacific for reasons of operating economy. The situation in the Far East was understood, however, to have played a considerable part in the retention of the full fleet in the Pacific.

The reason given for the order to return was explained by Henry L. Roosevelt, assistant secretary of the navy, as a return to the fleet's normal operating policy.

## POSTPONE CASES UNTIL NEXT WEEK

Council for Those Charged With Interfering With Police Given Adjournment

The five charged in the city police court with interfering with the sheriff in carrying out an eviction order on Caledonia Avenue, a week ago, have had the hearing of their cases adjourned until Thursday.

When the accused were called yesterday morning, Gordon M. Grant, from Vancouver, appeared as counsel for those who were best represented by Stuart Henderson. Mr. Grant announced himself as appearing for James Beyer, Hans Kroeger, William Bragg and Eric Linden, and asked that adjournment be granted until the afternoon, in order to afford him the opportunity to go into the matter. This was granted, and leave was also given to Stuart Henderson to have the hearing of the charge against his client, Fred McGee, put over until 2:30 p.m.

When court assembled at 2:30 o'clock, Mr. Grant said he wished for a further remand, and it was agreed that this should be until 10 o'clock on Thursday. Mr. Henderson was also given a similar remand for his client.

The courtroom was crowded for both sessions of the hearing yesterday.

## NOTED SYMPHONY TO BE PLAYED IN CITY

The Symphony in D Minor by Cesar Franck will be included in the programme of good things offered by the Vancouver Symphony Orchestra when it plays in Victoria, November 13. This symphony was composed in 1889, and consists of a first movement of large dimensions with an impressive introduction. The principal theme of this movement given out slowly in the very beginning is of a philosophical nature. This motive comes back in the first and last movements of the symphony in various forms and gives unity to the whole composition by imparting a character of great dignity and grandeur to the music; while the poetic strains of the second movement, the scherzo and the passionate drive of the last movement, complete the work that has uplifted many souls and will continue to do so as long as there are ears willing to listen to these voices from a better world.

## AIRPORT COMES UNDER REVIEW

Industrial Committee and Chamber of Commerce to Discuss Abandonment

A thorough inquiry into the reasons why the City Council has decided to abandon the Gordon Head airport will be made by the industrial committee of the council and a committee of the Chamber of Commerce. Action to this effect was taken at yesterday's meeting of the public works committee, when a deputation from the Chamber of Commerce was heard.

Frank Timmer presented the case for the Chamber of Commerce, pointing out the need for an airport here in view of the fact that the Dominion Government was establishing a series of emergency landing fields, thirty miles apart, all across Canada, and that there was a possibility that the Imperial Airways might extend its proposed Great Britain-Canada service to the Pacific Coast.

**REVIEWS ACTION**  
Mayor Leeming explained that a few years ago the public had turned down an airport by-law and that the council, despite this expression of public view, had proceeded to establish the airport by leasing the land. However, the city had received no co-operation from local industry and, in fact, commercial aviation had continued to use the Lansdowne airfield despite the fact

## Stubborn Coughs Ended by Recipe, Mixed at Home

Big Saving! No Cooking! No Easy!

Here is the famous old recipe which millions of housewives have found to be the most dependable means of breaking up stubborn coughs. It takes but a minute to prepare, and costs very little, but it is really astonishingly quick, lasting relief.

From any drugstore get 2½ ounces of Pinex. Pour this into a 16-oz. bottle and fill the bottle with granulated sugar syrup, made with equal parts of sugar and water, stirred a few minutes until dissolved. No cooking needed—it's so easy! Then you make 16 ounces of better remedy than you could buy ready-made, and you get four times as much for your money. It never spoils and children love its taste.

This simple mixture soothes and breaks the inflamed throat and calms the coughing fit. It loosens the germ-laden phlegm and eases chest pressure in a way that is really astonishing. Pinex is a highly concentrated compound of Norway Pine, the most reliable healing agent for severe coughs. It is guaranteed to give prompt relief or money refunded.

## COOM OPENING FROM EAST ON ETHER TODAY

Large Montreal Outlet of Radio Commission Starts Broadcasting Today

FINE PROGRAMMES WILL BE OFFERED

Today will be a red letter day in the history of Canadian radio. It will serve as the commencement of Canada's great radio celebration, and will witness the opening of the new 5,000-watt Canadian Radio Commission station at Montreal.

As befits the importance of the occasion, the Radio Commission has arranged a coast-to-coast broadcast, which will last for four and one-half hours. For the purpose of variety, the mammoth broadcast will be broken up into ten periods.

The official opening of the new station will last from 4:30 p.m. to 6 p.m. This ceremony will commence with addresses by the Hon. Alfred Durnan, Minister of Marine; Hector Charlesworth, chairman of the National Commission; Colonel W. W. Steel, commissioner of the same body. Between these addresses, music will be furnished by the band of the Canadian Grenadier Guards, internationally recognized as one of the finest bands in the world, and by a band concert given by the Imperial Grenadiers of the Air.

**SPECIAL BROADCAST**  
At 5 o'clock, the artists of the very popular French-Canadian programme, "One Hour With You," will present a specially-arranged programme, at 5:15 p.m. they will be followed by a presentation given by the artists from the immensely popular Toronto programme, "Hour of the Stars."

At 5:30 p.m., another French-Canadian programme, "Under the Bridges of Paris," will be offered. This feature will be relayed to the chain of the National Commission Company in the United States.

The chimes from the Peace Tower at Ottawa, playing "The Maple Leaf for Ever," will ring out the air at 6 p.m., and as they die away the voice of Thomas Maher, vice-chairman of the commission, speaking from Ottawa, will be heard.

**"SYMPHONIC STRINGS"**  
The unique and widely-applauded programme, "Symphonic Strings," under the direction of Alexander Chuhaldin, will be heard from Toronto from 6:30 to 7 p.m. On this programme, the audience will hear one of Canada's outstanding pianists, Ernest Seltz.

When the "Symphonic Strings" programme has closed, the American Broadcasting Company will send its greeting to the new Canadian station. This will take the form of speeches by the great chain's executives, and a programme from some of its star artists.

**WINNIEPEG PROGRAMME**  
Canadian listeners will have an opportunity to hear the artists of "La Botte à Musique," and "Gems From the Lyric Stage," in a specially-arranged programme in honor of radio celebration.

The long evening of superb entertainment will come to a close with what the commission terms "an audiovisual frolic." Just what type of entertainment this frolic is to be, the commission is keeping a secret.

**NON-ANGLO-SAXON CHURCHES NUMEROUS IN PRAIRIE AREAS**

Commenting on the increase of the non-Anglo-Saxon population in Manitoba, Dr. J. A. Cormie, writing in The New Outlook of Toronto, states that there are seven divisions of Mennonites with 167 ministers. Eighty of Lutherans have fifty ministers; Scandinavian churches, of every denomination, of one type or another, have ten, of whom two are Baptist. The Slavic people with eleven different divisions—Greek Catholic, Greek orthodox, etc.—have sixty-seven ministers, two being Baptist. There are eight Hutterites and twelve Hebrews. There are thirty-two varieties of religious affiliation among the non-Anglo-Saxon population of this province, with 313 ministers.

Provision would thus appear to be made for the religious susceptibilities of every one. The French, of course, have French Roman Catholic priests, and many other groups are served by the Catholic Church; those not reported in the figures quoted.

**RECALLS VISIT OF FIFTY YEARS AGO**

Appropos of the beginning of the Oxford Group evangelistic campaign in the city of London, The Christian World, carries under its weekly column, "Fifty Years Ago," an account from its files of October 11, 1883, of the expected visit to London of the American evangelists, Dwight L. Moody and Ira D. Sankey. For the projected series of meetings, which were to last six months, movable iron halls had been built, capable of holding 3,000 persons, which would be taken from district to district as needed. This was the second visit of the famous preacher and his singing companion.

A dramatic incident took place at the recent celebration of the jubilee of the Boy's Brigade organization, where this active boys' organization was launched fifty years ago by Sir William Smith. A number of boys handed over to the custody of the president and his successors a cake, containing a secret message for the boys of 1933 when the centenary of the movement occurs; the seals are to remain unbroken until then.

Protestants, Jews and Roman Catholics participated in a recent meeting in New York City that was held to inaugurate a "Back-to-Church" campaign. The movement is unsectarian and has for its slogan, "God, the Light of the World; Protestant, Catholic and Jew. Follow the Light Back to the Church." It is promoted largely by laymen.

## Ottawa Players Ordered to Sign Or Be Suspended

OTTAWA, Nov. 3 (CP).—Conney Welland, Allan Shields, Bill Beveridge and Danny Cox, members of the Ottawa Senators National Hockey League team, must report for practice tomorrow, sign their contracts by Monday noon, or be suspended. This was decided here today by Frank Calder, president of the N.H.L. The four players have had a difference of opinion with the local club officials regarding the salary question.

The players concerned were given an interview by President Calder on Tuesday afternoon, but the case, he made his ruling.

While Welland and Shields have been absent from practice for some time, Cox and Beveridge are regular attendants at the daily Senators workouts. Considerable surprise followed the announcement concerning the latter two.

Harvey Rockburn, who left the bench during Wednesday's practice, is apparently on the outside. Seniors said tonight Rockburn's action took the form of voluntary retirement, and the next move was up to the player.

## PERSONAL ITEMS and SOCIAL HAPPENINGS

### Big Crowd of Dancers At Saanich Police Ball

Annual Affair Held in Aid of Needy Children Attended by 700 Guests—Decorations and Arrangements Well Carried Out

A merry crowd of about 700 dancers attended the annual Saanich police ball last evening, at the Agricultural Hall, Saanichton, and the affair eclipsed all others, which have always been most successful. It was an ideal night, and everything possible had been done to insure the success of the affair.

The hall looked particularly attractive with flags and bunting, masses of autumn foliage and flowers, and colored lights outlining the doorway, and arranged about the room gave an additional note of festivity, while spotlights played upon the gay and ever-moving throng.

#### GOOD MUSIC

A programme of fox trots and waltzes, in addition to a minuet and schottische, was played by a six-piece orchestra, and the dancers called for encore after encore as each dance ended. From the ceiling was suspended an enormous net of colored balloons, and when these were released, and serpentine distributed among the guests, the hilarity was at its highest peak. Supper was served in buffet style in the dining-room, where again masses of lovely chrysanthemums

and red and gold autumn leaves made a beautiful setting for the tables, which were spread with good things. The refreshments were in the hands of a capable committee of members of the North and South Saanich Women's Institute, under the supervision of Mrs. Turgoose.

#### POLICE INVITED

The dance was under the supervision of the Reeve and the Police Commission of Saanich, and the specially invited guests included the chiefs and members of the Victoria, Esquimalt and Oak Bay police departments, as well as the Provincial and Mounted police officers.

The proceeds, which it is expected will amount to a large sum, will be used to supply boots and shoes for needy children in Saanich during the winter months.

The committee responsible for the success of the evening included Chief Allan Rankin, Sergeant R. S. Brown, Constables P. K. Cummings, Josiah Bull and Eric Ewell. Mr. Wilfred Green made an efficient master of ceremonies, and Miss Helen Elliott, general secretary of the Saanich Police Welfare Association, also assisted with the arrangements.

## COURSES TO OPEN NOV. 6

School for Sunday School Workers Offers Nine Classes in Training

Promising to continue the success of the past few years, the annual Leadership Training School will open a session of six days with a general meeting on Monday evening at the Memorial Hall, at 7:30 o'clock, when Dr. Frank Langford, of Toronto, will give an address. This will be followed by a fifty-minute class period.

Nine courses are offered to Sunday School and church workers, each of which will be in charge of a leader who is well qualified to deal with the subject assigned. Three of these come from Vancouver. Rev. Elbert Paul, pastor of First Baptist Church there, will give a course on "Teaching as Jesus Taught"; and Miss Anne Fountain will conduct a class on "Worship."

LOCAL WORKERS TO LEAD  
The remaining six classes will be in charge of competent local leaders. Rev. N. E. Smith, rector of St. Barnabas' Church, will lead a study of the "Life of Christ," based on the Gospel of St. Luke, while the "Missionary Idea" will be explicated by Rev. H. P. S. Luttrell, who was for seventeen years a missionary in Honan, China. Rev. Dr. G. B. Switzer will give a course on "Christianity and Present Economic and International Problems."

Boys' work will be under the care of Rev. J. H. A. Watt and Vivian Shoemaker, of the Y.M.C.A., while "The Junior" will be the subject for discussion under Deaconess Margaret Robinson. A new church worker in the person of Miss B. M. Carlie, S.T.H., will make her contribution as leader of "Beginners and Primary Work." Miss Carlie is at present conducting a training school for church workers in this city.

The first group of classes will be held November 6, 7, 8, and 9, at 7:30 a.m. and 7:30 p.m. Two fifty-minute periods will be held each evening, beginning at 7 o'clock, after a worship period, and closing at 9:40 o'clock. Credits are given and certificates awarded on completion of written examination or assignment. The training school is interdenominational, and is under the direction of the Religious Education Council of the city.

## Kagawa, Japanese Evangelist, Gives Much But Lives in Poverty

REPLYING to a letter from Geneva, asking how much Dr. Toyohiko Kagawa, the world-known Japanese evangelist and writer, has given outright from his own earnings to promote spiritual and social well-being, Rev. Henry Topping, of Tokio, in a circular letter just received, makes the following statement:

"This is not an easy question to answer, for Kagawa's left hand does not report to his right. But a hasty reckoning reveals at least three hundred thousand yen. This, however, takes no account of the many books that he has contributed by putting them on sale at the cost price of publication. His ten yen (about three cents) books that have brought such infinite profit in changed lives to multitudes of readers, and are being translated into various other languages, have netted him little or no financial profit."

In addition to this it may be said that Dr. Kagawa lives at the present time, as he has always done, in an almost impecunious fashion. Mr. Topping further states that this ardent evangelist is working at a tremendous pace to provide funds for the many works of redemption and relief that he is carrying on. Mr. Topping pleads for financial help. "Something," he says, "must be done, quickly done, while he is yet with us, to lift his burdens, to keep his quenchless spirit in his broken, suffering body."

## To Picture Near East Of Future

An address, well illustrated by lantern slides, on Germany and the Arab versus the Jew," will be given by E. E. Richards, in which he will show that according to Biblical prophecy a vast struggle involving the whole East is near, and that present-day events are leading up to the establishment of the Messiah's kingdom. The future apportionment, according to Ezekiel, of Syria, Palestine and Arabia to all Israel and the Arabs, with the "Holy Oblation and Temple" site, will be shown on the screen.

## DR. F. LANGFORD AT CENTENNIAL

Christian Education Secretary in Morning—Pastor to Speak on Jesus and Zacheus

Frank Langford, D.D., secretary of Christian Education for the United Church of Canada, will be the morning preacher at Centennial United Church on Sunday, Dr. Langford is just completing a tour of the Canadian churches and is sure to have a message of the greatest significance.

In the evening Rev. C. G. Mackenzie will give the second in a series of sermons on "Jesus as a Life-Changer." The first sermon, which dealt with the woman of Samaria, excited much interest. The second sermon, on "Jesus as a Life-Changer," will be given by Mr. Mackenzie, who will deal with Jesus and Zacheus. Following the evening service the study group for young people will be conducted by the church, and the evening service will be growing as the value of the discussions is being discovered.

The music for the morning service will be: Anthem, "Just as I Am Without One Plea" (Bowles); solo, "The Stranger of Galilee," Mrs. A. Southern. At the evening service the choir will render the anthem, "Hymn of the Night" (Brown), and the soloist will be J. Almond.

### WOLVES SCARCE IN FRANCE NOW

PARIS, Nov. 3 (CP).—A member of the House of Rothschild has been named "wolf lieutenant" of the Seine-et-Marne Department and will help protect the farms from inroads by wild boar, badgers, weasels, otters, crows and the fox.

Baron James de Rothschild, sportsman-member of the European banking dynasty, succeeds the Duchess d'Uzes, only woman ever to hold the office established by the Emperor Charlemagne in the year 815.

Once every district in France had an official master of a pack of hounds to protect it from damage by wolves. As there are now only forty wolves in the country, all in protected forest reserves, the "wolf-lieutenants" hunt other predatory animals and birds. There are now

1,100 Frenchmen holding the office in various parts of the country.

GOTHAM CABBIES  
IN CELEBRATION

NEW YORK, Nov. 3 (CP).—While a fast-moving world celebrates a Century of Progress, twenty-seven New York cabbies—all that are left of that era of red plush victorias and bobbing hansom—

soms—are celebrating a century of survival. Strangely out of place, yet strangely vital to memory-loving New York, the Jehus still ply their precarious trade on bustling, motorized Fifth Avenue—though "pickings be small these days," as one old-timer put it, running his frayed sleeve about the rim of a worn topper.

**SOLD HIS PATENTS**  
It is just 100 years ago that Joseph Aloysius Hanson, English architect, sold for \$50,000 the pat-

ents to his then revolutionary new vehicle, the "safety cab," later to be known as the Hansom. Ominously the New York cabbies now, some bent, others almost as erect as they were when John L. Sullivan was champion of the fist world or Divine Sarah's histrionic flame glowed high, or Joe's and Hector's were the strongholds of Bohemia.

Cabman to Sullivan and Corbett and lanky Bob Fitzsimmons was Benjamin Solomon, dean of the Fifth Avenue cabbies and probably

the oldest of the quiet old men who calmly ignore the sleek motors to whose predecessors they once derisively shouted: "Getta horse." Solomon, his old topper as immaculate as ever, if a bit weather-beaten, sits atop his bobbing rickety, sharing fares in front of a fashionable Central Park hotel as though the old town hadn't changed a bit.

"Of course it ain't what it used to be," he nods sagely, "but then what is? And what's the kick, I

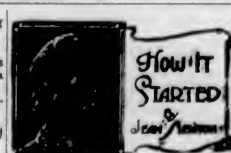

ask you, when a man makes a living and his horse is fed?"

In Darkest Africa, two natives were watching a leopard chasing a large fat man.

"Can you spot the winner?" asked one.

"The winner is spotted," replied the other.

Hubby—I shall be late tonight. Wife—Wake me up when you come in. You know I can't sleep when you're away.

THAT WORD "PRECOCIOUS"  
Parents like to hear that their children are precocious, that is that they are developed mentally beyond

the expectation of their years, beyond the reaches of other children of their age. That is, most parents like to hear it. Some wiser ones prefer their children to take the usual time for their mental as well as physical growth. The former will find no reason for increased enthusiasm in the origin of the word "precocious."

For the word means literally "to cook or ripen beforehand." We have it from the Latin "prae," meaning before, and "coquere," to cook. Ripen or mature before the proper or na-

tural time is the significance which has been carried over into its modern usage.

A man was crossing the street when a large dog knocked him down. He was getting up when he was knocked down again, this time by a "baby" car.

A policeman rushed to his assistance, and asked if he was hurt. "The dog didn't hurt me," replied the dazed pedestrian. "It was the tin can fastened to his tail that did the damage."

## Western Canadian Grid Finalists to Be Decided Today

Meralomas Will Battle Calgary Altomahs, While Regina Roughriders Take on Winnipeg—Niblo to Lead B.C. Champions Into Fray

CALGARY, Nov. 3 (CP).—Vancouver's Meralomas were in this football city today, full of fight and confidence for their British Columbia-Alberta Rugby play-down with Calgary Altomahs Tigers Saturday. The coaters will be led by the tricky George Niblo, star halfback, who has recovered recently from three broken ribs received during league tiffs in Vancouver.

After announcing Niblo's entry into the conflict, Dr. "Hammy" Boucher, Vancouver's strategist, declared Tom Ferris, another halfback king, would play only if absolutely necessary. Ferris fractured his right hand during a game last Saturday with British Columbia Varsity.

**B.C. TEAM CONFIDENT**  
Every one of Vancouver's twenty-three players who arrived for the struggle are confident Altomahs will get a real battle this year—and possibly a real defeat. Although Humphries, Barker and Riley are the only new faces on the team that dropped the series to Altomahs at the Coast last year, the coaches, Boucher and Frank Hutchinson, believe their proteges are much improved.

## Victory Over Tigers Keeps Argos in Race

**FIGHTING** a terrific uphill battle, after trailing by five points, Toronto's Argonauts, of the Inter-Provincial Big Four, defeated Hamilton at the title. The Tigers from Hamilton battled gloriously in what will probably be their last game as the team that has been champions or near champions for the past five or six years. It is likely that many of the players will retire after this season. Argos, possessing what critics believe to be the best team in Eastern Canada this year, demonstrated their superiority when they came from behind to throw back the strong Tiger attack and win out in the last half. Thus, Hamilton's far-famed Tigers are eliminated. They have yet to win a game this season. The above picture shows Argos blocking a kick from Beona Wright of Hamilton.

## Grimmett Bowls In Deadly Style In Cup Cricket

ADELAIDE, Australia, Nov. 3 (CP).—Many Australian Test cricketers who expect to tour England next Summer participated in the Sheffield Shield match between Victoria and South Australia today. Grimmett, gulfy bowler, took 7 Victoria wickets for 80 runs to put his side in a promising position.

Scores at the end of the day's play: Victoria, 197 (Woodfull 52, O'Brien 49); South Australia, 77 for 1 wicket.  
At Brisbane—Queensland met New South Wales. Scores at the end of the day: Queensland, 183 (Bensted 70, Andrews 66, O'Reilly 6 for 58); New South Wales, 66 for no wickets.

EXPLANATION FOR YESTERDAY'S RIPLEY CARTOON  
The Greatest Game Butcher in History—Johann George I (1585-1656) and his son, Johann George II (1628-1691) were Electors (rulers) of Saxony. Their reigns were quite undistinguished, except that they established an all-time record in game slaughter, having killed a total of 226,761 heads between them. In their capacity as Electors they also occupied the office of Lords High Masters of the Chase of the German Empire, which was a zealous huntman that he once refused the crown of Bohemia, for the reason that Bohemian game seemed to him inferior to that of his own country.

A Legless Race—This bizarre contest took place at the Carthage Fair, in 1867. The two contestants who had both lost their legs were powerfully built men. The winner, Isaac Reynolds, made the mile circuit in fifteen minutes fifteen seconds, beating William Quillan, his opponent, by two minutes.

## Shore Refuses to Play Unless Given Salary Requested

Great Defenceman of Boston Bruins Will Quit Hockey Unless Demands Are Met—Art Ross Hands Suspension to Edmonton Star

EDMONTON, Nov. 3 (CP).—In a copyright story today, The Edmonton Journal says that Eddie Shore has declared he will not return to Boston Bruins this year unless he is given an additional \$2,000. He claims he is ready to retire from hockey rather than accept the offer of the Boston management.  
"Sure, I'm a holdout," Eddie Shore declared today. "I am not going to take a \$2,500 cut this year and it is up to Manager Art Ross and Owner Charles Adams to make the next move."  
"A couple of weeks ago I received a contract which was satisfactory to me. Then, apparently because I did not pack up at once and leave for the East, they turn around and chop \$2,500 off that contract. The plain facts are, I will not accept that money."

**SIXTY-MINUTE MAN**  
Shore, The Journal says, feels he is worth something extra to the Boston club. He claims he is a sixty-minute man and the Boston club only employs three defence men, while other National Hockey League clubs have four.  
"I figure if I am to play sixty minutes a game and if I can save the Boston club some money, due to the fact they do not have to employ another defence man, then at least I should receive something extra for my time."

Eddie is a farmer at Duagh, Alberta, and is one of the most successful agriculturists in the province.

**HANDS SUSPENSION**  
QUEBEC, Nov. 3 (CP).—Eddie Shore, dynamic defence man of Boston Bruins, has been suspended, Art Ross, manager of the National Hockey League club, announced today.  
"The Boston Bruins Hockey Club has suspended Eddie Shore and has no advised President Frank Calder, of the National Hockey League, was the announcement made by Ross."

Pressed for further comment, Ross would neither confirm nor deny rumors that Shore had requested a salary exceeding the maximum permitted by the National Hockey League. "I have nothing more to say," was his reply to questioning.

The Bruins have been working out here at Quebec since October 20, and will play Montreal Canadiens here, Sunday afternoon, in an exhibition game, expected to polish off the rough spots prior to the opening game of the season, when the Bruins will invade the Queen City to oppose Toronto Maple Leafs. Shore is still at his home near Edmonton.

## FOUR TEAMS IN TIE FOR FIRST PLACE

Torchy Peden and Alfie Le-tourner Deadlocked for Second Position

CHICAGO, Nov. 3 (AP).—A four-way tie existed as Chicago's six-day bike race passed the 121st hour at the Chicago Stadium tonight. The leading teams were Rebell-Manera, Deuberg-Grimm, Lands-Schaller and Trieste-Rodak, each combination with a record of 1,838 miles and nine laps. The team of Torchy Peden, of Victoria, and Alfie Letourner, of France, was tied with two other duos, a lap behind the pace-makers. Wisel-Walshour and McNamara-Winter were the other second place combinations. Only ten teams remained in the race out of thirteen starters.

## CHAMPION DEFEATS MICKEY WALKER IN TITLE BOUT EASILY

Rosenbloom Scores Fairly Decisive Victory Over "Toy Bulldog" in Fifteen Rounds Before 10,000 Spectators at New York—No Knockdowns Scored in Battle

By EDWARD J. NEIL  
Associated Press Sports Writer

NEW YORK, Nov. 3 (AP).—Maxie Rosenbloom, champion of the light-heavyweights, flung back the challenge, tonight, of "Toy Bulldog" Mickey Walker, once king of the welterweights and middleweights. Rosenbloom slapped his way to a fairly decisive decision in fifteen rounds.

MAXIE ROSENBLUM

before a crowd estimated at 10,000. There were no knockdowns and few threats for the biggest crowd of the indoor season here, as Rosenbloom, as consistently good when his title is at stake as he is mediocre when touring the outskirts in non-title matches, slapped and cutted his way to the decision of two judges, Charley Lynch and Jim Buckley.  
Referee Ed Forbes voted for Walker, but his choice failed to find a companion opinion either among the experts or the spectators.

## Diegel Displays Brilliant Golf To Assume Lead

LOS ANGELES, Nov. 3 (AP).—Leo Diegel broke loose with a round of sensational golf, today, to shoot a 35-34-69 to take the lead at the end of eighteen holes in the Southern California open championship. ## Remember When

(Twenty-Five Years Ago)

A beautiful kick from penalty by Billy Ellis gave the all-star British Columbia Rugby fifteen a thrilling victory in the first match of a series against the University of California squad at Berkeley, California, yesterday afternoon. The British Columbian played in grand form and had the California going from the start to finish, but the collegians were strong on the defensive and saved their goal line many times by timely kicking. The only score of the match came about middle way through the second half, when the British Columbia lads were awarded a penalty near the California goal. Ellis took the kick and sent the ball sailing over the bar, amid great enthusiasm and cheering. Dick Bell-Irving played a great game, being the winner, while Johnston, Sawers, Deykin, Bryant and Newcombe all worked hard.

A. McNamee, a local pugilist, who while identified with Work Point Barracks, established something of a reputation as a heavyweight by Oscar Mortimore, a colored boxer, through these columns. Yesterday a communication was received from W. Murphy on behalf of McNamee, accepting the match over twenty rounds or less.

The Seattle United soccer eleven in the Pacific Coast League defeated the crack Ladysmith aggregation yesterday in the Sound City at Dugdale's Park by a two to one score in a fast exhibition. The Islanders had the best of the opening half, but the fine work of Seattle's defence kept the scoring down. Provis scored for Ladysmith to give his team a 1-0 lead at half-time. In the second period, Seattle ran in two quick goals and then packed their defence to the final whistle.

Word has been received on the Coast that Tom Longboat, great Canadian distance runner, has joined the professional ranks and will soon be appearing in exhibitions against the best in the world. Tom Flanagan, of the Irish-Canadian Athletic Association, gave out the statement.

Billy Papke, middleweight champion, affixed his signature last night to articles calling for a twenty-five-round title bout with Hugo Kelly at the Jeffries Club in Los Angeles. Kelly is certain to agree to the terms, it is stated.

## Hockey Matches Carded Today at Oak Bay Grounds

Two exhibition grass hockey fixtures will take place this afternoon on the Oak Bay Park grounds. In one match, the captain's vs. vice-captain's aggregations will battle it out at 2:30 o'clock, while in the other game, a representative side of women players from the Victoria Club will take on a select Duncan team at the same hour.

# IMPORTANT GRID GAME CARRIED HERE TODAY

## LOCAL SQUAD WILL FACE V.A.C. TEAM AT ATHLETIC PARK

Victory Will Put Victoria in Top Position in Big Four Canadian Rugby League—"Rebel" Mowat to Lead Chinese Team in Comedy Game During Intermission—Band to Attend

Tuned to perfection and keyed to a high pitch, especially with victory meaning top position in the race for the honors, Manager Ken Scafe and his grid squad going under Victoria's colors will face the acid test this afternoon, at Athletic Park, when they tackle the powerful Vancouver Athletic Club entry in the Big Four Canadian Rugby League, at 2:30 o'clock. It is looked as the season's most important contest, as Victoria must win to stay in the running and the V.A.C. will be out to keep their undefeated record in league competition intact. With a clear day, a big attendance is expected at the encounter.

Manager Scafe and Coach Dr. John Sturdy put the boys through their final paces last night, not on the field, but a chalk talk session. The final field workout was held Thursday, and on the eve of the game all the locals were reported in tip-top condition, eagerly waiting for the referees' whistle. If Victoria goes under, it will not be for lack of practice, as for the past three weeks the boys have undergone some strenuous drills.

**CHINESE TO PLAY**  
Plenty of entertainment and amusement will be thrown in with the game, local officials having lined up a Chinese grid team to perform during the intermission against a squad under Dan Dowell, George "Rebel" Mowat, the city's great entertainer, will lead the Oriental grid team, with the assistance of Bobby Ross, Percy Fitzsimmons and Bill Cox. "Rebel's" entertainment at Beacon Hill during the baseball season is still talked of, and he is once again expected to hand out plenty of comedy.

No admission fee will be charged for children fourteen and under. All the kiddies will be looked after, with free candies being given away. The Victoria Boys' Band of forty pieces will play during the afternoon. In order to give the fans a line on the game, the loudspeaker system will be in operation, with an experienced announcer at the "mike," describing and explaining the various plays.

From Victoria College, 150 stu-

FRANK GRIBBLE who throws the forward pass for local grid team, and will be seen in action this afternoon when Victoria tackles V.A.C. at Athletic Park at 2:30 o'clock.

**BRINGING STRONG TEAM**  
Manager Louis Lalonde is bringing over his strongest team, as he expects a hard battle from the start. V.A.C. have been running roughshod over the opposition on the Mainland and is the only club seeking the honors that has not suffered defeat. Coach Norm Burley will direct the team from the sidelines, while Lalonde, while Don Tyerman is captain of the visitors. A win for Vancouver will practically give them the Big Four honors, while a setback will hamper their chances. Victoria has another battle blithely here on November 18.

## Chicago Hawks Will Use Three Forward Lines During Games

Manager Tommy Gorman Will Send in Different Attackers Every Three Minutes—Defence of Chi-Hawks to Be Powerful This Year

CHICAGO, Nov. 3 (CP).—Weight and scoring punch on the rearward, plus speed and sharp-shooting ability up front, constitutes Tommy Gorman's idea of the perfect hockey machine.

Planning to this end for the opening of the National Hockey League season barely a week away, the fiery manager of Chicago Black Hawks experiments with great rapidity on the University of Illinois rink where the Hawks are training.

He has let it be known that he believes the backline combination he is sweet on is just about the best to be found anywhere. Gorman plans to have Charlie Gardiner back in the goal cage. The Winnipeg Scot is in much better shape than he was last year, when he suffered from ailing tonsils, which have been ejected from his constitution.

Out front, to keep the snipers away from Gardiner, Gorman is relying firstly on Lionel Conacher and Art Coulter, a husky youngster who became somewhat of a sensation last year. Alternating on the defence will probably be the

huge Tuffy Abel and Roger Jenkins. The latter has been used mainly as a forward since coming from Toronto Maple Leafs three seasons ago, but has developed into a fine defence prospect.

**THREE HOME PRODUCTS**  
With Paul Thompson flanked by Johnny Gottselig and Lolo Gouture, the Chicago mentor has three of Western Canada's best products as his number one front trio. All are fast, experienced and keen shots.

Three-minute tricks of ice duty is Manager Gorman's idea of the path to hockey success, and he will send Harold "Mush" March, Tommy Cook and Donnie McPadden right out to wear down the opposition after the first three have served their splash.

There still is doubt as to whether McPadden can hold his berth, as a flashy youngster named Art Merrill has been giving him a stout tussle for the position.

Rivaling Toronto Maple Leafs' famous "kid" line is a threesome from the American Association—Jack Lawick, Bob Kendall and Jack Napoleon Trudel.

## Stocks Rally at New York Mart In Late Upturn

NEW YORK, Nov. 3 (AP).—Stocks rallied themselves into a rally today, getting their leadership from rails and other issues which usually remain in the background when inflationary sentiment is ruling the market.

Until the last hour the market exhibited its recent fondness for jolting, although carrier issues and rail equipments made progress out of the rut.

Wall Street again heard numerous rumors as to monetary matters, one of them had it Washington might soon say something about stabilization, placing the possible level considerably under the dollar's present gold value. On the other hand, Wall Street wondered whether the new foreign gold purchasing programme looked like the beginning of an effort to stabilize.

Whatever the reason, final dealings on the stock exchange witnessed a broad, brisk recovery, bringing many net gains of 1 to 3 points and some of larger proportions. Sales totaled 1,514,020 shares, the week's best volume.

Steel, led by U. S. Steel, which rose 3 1/2, were strong. Automobile issues traded actively at rising prices, General Motors advancing 1 1/2. Chrysler was up 2.

American Telephone rose 4. Allied Chemical jumped 5 1/2. Many rails were up a point or more.

Movement of United States dollars was uneven. The Reconstruction Finance Corporation's gold prices rose 21 cents to \$32.57 an ounce. High-trade bonds weakened, especially in the United States Government category.

Trading Turns Draggish at

Winnipeg as Foreign Pur-

chases Stand By

WINNIPEG, Nov. 3 (CP).—Trading

dragged on the Grain Exchange

today, and although a late rally at

Chicago brought a firmer tone in

the closing minutes, final prices

were a quarter cent lower to un-

changed from the previous close.

A full in the export demand, fol-

lowing good purchases made by for-

eign buyers yesterday, was a big

factor in dullness. Movement of

Canadian wheat abroad estimated

at about 250,000 bushels was not

sufficient support to lift prices in

the face of only moderate hedging

sales.

November wheat was quoted at

54-1/8 at the close, December at

63-1/2. May at 67-1/8 and July at

68-1/2. A somewhat bearish

trade was apparent in market news.

Liverpool wheat was 3-3/4 to 1-1/4

higher at the close, while Buenos

Aires prices were 2-1/2 cent up at

noon. With slackening of export

demand, cash grain trading again

slowed up. Pit trade in coarse

grains was dull and featureless and

losses were general at the close.
